## DETAILED ACTION

### ***Allowable Subject Matter***

All pending Claims 1-3, 5-7, 11 and 12 are allowed. The following is an examiner's statement of reasons for allowance:

With respect to the independent claim 1, prior art of record doesn't teach, suggest or render obvious the total combination of the structures being claimed, including:

*the mounting portion has an unfixed area that a second portion of the document holder faces but is not fixed to, and a fixed area that a third portion of the document holder faces and is fixed to, the exposed area and the fixed area sandwiching the unfixed area therebetween, and wherein the document holder is supported in at least part of the exposed area by the movable plate and supported in at least part of the fixed area by the platen cover, and wherein the second portion of the document holder is thinner than the first and third portions of the document holder in such a manner that the second portion of the document holder is more likely to be bended smoothly than the first and third portions of the document holder are.*

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

As pointed out by Applicants in the amendment filed on 9/4/2008, the cited reference Kitaoka (JP 2002278174 A), which is the closest reference in prior art of

Art Unit: 2854

record, teaches a third portion 90b (Kitaoka's fig. 6, reproduced below) being movable relatively to the mounting portion 90f, by means of a sliding rail 90e. Thus, said third portion 90b is not fixed to [a fixed area of] the mounting portion 90f.

Compare Kitaoka's fig. 6 above to the invention's fig. 8, reproduced below, in which the third portion is fixed (glued) to the mounting portion, as claimed.

***Conclusion***

Prior art made of record listed in the attached "Notice of References Cited" but not relied upon is considered pertinent to applicant's disclosure.
